

Open your world

*To the beauty of
retractable screens*

AIRA[®]
RETRACTABLE SCREEN SYSTEMS
by Eclipse Technologies Inc.

As light
as Aira

Aira with Options Aira Retractable Screens are made with a superior quality, highly durable screen material that maximizes the view, indoors to outdoors. Custom options include solar mesh, pet resistant mesh and

Aira Retractable Screens silently and smoothly retract into a discreet housing to provide an open view, easy entry and longer screen life. When in use, the screen is almost invisible to the eye, provides excellent airflow and is a solar barrier.

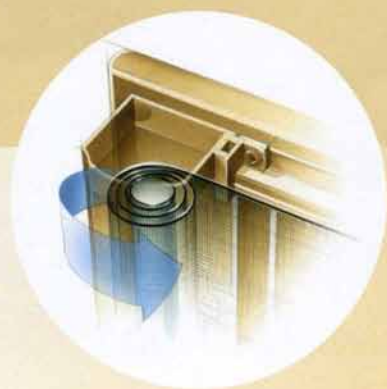

noseeum mesh for protection from tiny bugs. Other options include a child safe mechanism that allows the screen to roll back slowly when released.

The joys of
fresh Aira

A beautiful home is made even more beautiful through the use of Aira Retractable Screens. Our almost transparent, roll-away screens are designed to fit the looks and lines of any home and to maximize the beauty of what is seen — from the indoors to the outdoors.

Aira screens retract into a discreet housing.

Aira in style

Aira Quality Aira Retractable Screen Systems are made in Canada by Eclipse Technologies Inc., an ISO 9000:2001 certified manufacturer committed to the highest quality standards and 100% customer satisfaction. Eclipse specializes in Retractable Screen Systems for

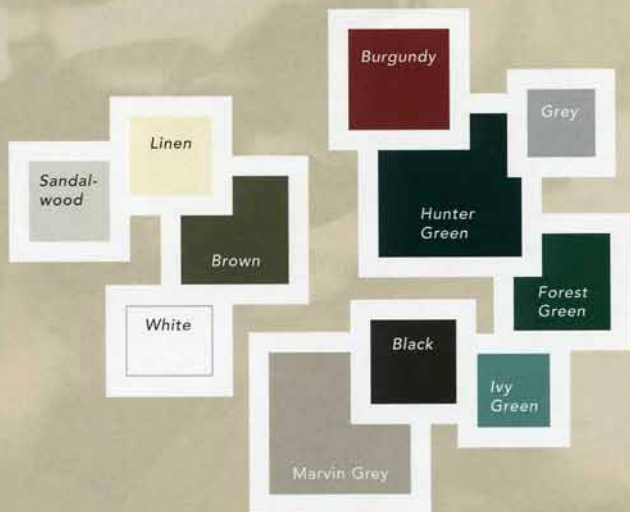

Aira Retractable Screens are designed to fit all door styles and most window frames, including entry doors, patio and sliding doors, out-swing or in-swing doors, and single or double French doors.

homes across North America, in Mexico and the Caribbean, and is quickly expanding to markets around the world. We invest in research and we believe we have the best product on the market. We offer a lifetime warranty on all our Retractable Screen Systems (excluding screen material).

Colors of Aira

Aira Retractable Screens come with color-matched housings. There are eleven standard colors to suit your decor.
