

PET PRODUCTS FOR THE HOME

NO MORE

“BAD CAT!”

“NAUGHTY DOG!”

Just like humans, our canine and feline buddies enjoy being outdoors. No matter the season, pets may need or want to be outside. Pet doors provide a variety of solutions granting easy pet access and human peace of mind.

Pet Patio Door

Made specifically to be used with an existing patio door, Pet Patio Doors feature a security lock, draft stopper and tough security glass. Doors may be used with either left or right hand sliding patio doors, are adjustable and have a lock out slide to keep your pet in or out. Comes in small, medium extra large, and super large sizes with your choice of silver, bronze or white finish.

Sure, you love your cat or dog. You wouldn't have them if you didn't. But let's face it...*there are moments...*

Eliminate frustrating moments caused by door and window screen pet damage, with **Pet Proof Screening**. Especially formulated for use with domestic animals, **Pet Proof** is a high impact, tear resistant, tough synthetic material, yet it allows unimpeded vision and free air flow. Best of all, **Pet Proof** is guaranteed against claw tears, and damage for two years. Now both you, and your pet can enjoy the outdoors from inside.

"Deluxe" Pet Door

Designed for hollow core and solid doors, **Deluxe Pet Doors** are constructed with high quality aluminum frames and clear flaps. Available in small, medium, extra large and super large sizes, these doors feature a self-adjusting door bottom for energy efficiency and a lock-out slide to keep pets in or out. Doors install from the inside making outside removal virtually impossible. Comes in silver, bronze or white finish.

Lightweight **Pet Passage** engineering allows small pets to exit and enter via your window screen or screen door. "Magic" magnets keep opening securely closed after each use.

"Lockable" Cat Flap

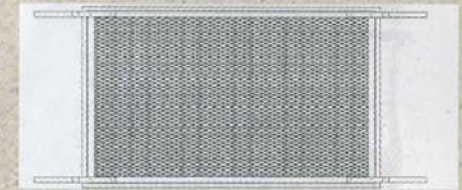

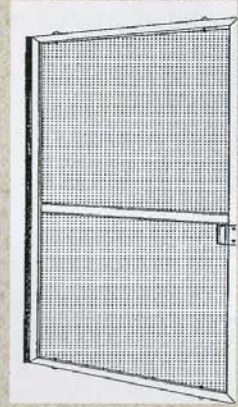

Cats come and go as they please through their own silent action, transparent, weatherproof Lexan flap with built-in lock.

PET FRIENDLY WINDOW & DOOR OPTIONS

(They are child friendly too!)

Brace Bars

Brace bars lend additional support to any screen door or patio screen. They also produce individual sections which may be screened independently. Available in silver, bronze or white finish.

Mesh Door Grilles

Prevents pets from breaking through screens and allows free flow of air. Comes in aluminum with white or silver finish or a molded polymer with gray, white or dark bronze finish.

Aluminum Door Guards

Protect against damage to screens or glass. Designed for use with storm or screen doors and windows. Up to 39 inches wide. Available in silver or white.
