

Window Shield® can deter "Smash and Grab" Intrusions

- **Physical barrier to deter entry through your window.**
- **Provides an almost clear view from the inside.**
- **All screens are custom made for your windows.**
- **Option to provide a way so you can get out in an emergency situation.**

Window Screen Features:

Strong Stainless Steel Screen - Replace your existing insect screens with a security screen!

"No Rust"- We use non corrosive materials (Stainless Steel Mesh and Aluminum Frame)

Clean Look - Designed to blend in with the windows

Benefits of Window Shield®

They protect your windows all of the time - no need to turn them on and off.

Leave your windows open without fear of unwanted visitors.

Deters against "Smash and Grab" crimes.

The sun's UV rays reflect off the black mesh, helping to keep cooling costs lower in summer.
